Bad in Plaid Golf Tournament

Last week we held our 12th annual Bad in Plaid Golf Tournament. It was great to be BACK in PLAID, and playing BAD after cancelling last year's event due to Covid 19 restrictions. As a community and with the help of a very strong committee, we were able to come back stronger than before and we had a record breaking year.

This year's Bad in Plaid raised over \$33,000 for our school.

The faculty, staff, and students would like to thank all of our generous sponsors, community partners, foursomes, families and friends. The many memories that were made at this year's Bad in Plaid will not soon be forgotten. See you all next year and GO TIGERS!
